

1. K-LOVE serves me as a resident of the local community by making me a more informed citizen and a more law abiding one.
2. The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming: terrible in that I know many other people besides myself who count this station as their favorite one.
3. The service provided by K-LOVE is in the public interest! They provide a station where I can listen to good modern day music without having to listen to hear commercials and the music is very life inspiring.
